

Be a part of Maryland's Hunting Legacy!

Individuals who enjoy hunting and businesses that depend on hunting and hunters can be a part of *Bucks-Bears-Stags* by becoming a Sponsor as we advance to the October 15, 2023 publication of "**Maryland's Finest**" *The Records and the Legacy*.

"Maryland's Finest" is a compilation of the best and biggest Maryland Whitetails, Black Bears and Sika Stags ever recorded.

It's not just names and numbers. BBS honors the animals and recognize the hunters. BBS has also included history, photos and stories; all to promote Maryland's outstanding, science-based wildlife management with the overarching theme of conservation.

You can view how the levels of Sponsorship will not only support the ongoing efforts of **Bucks-Bears-Stags** for years to come but also how we can "pay back" our sponsors by in-turn promoting them in print, broadcast and online to Maryland's hunting community.
